Invented reading example

A fictional report mentions hypertension.

It also mentions blood glucose and a biopsy.

The sample value is 10 mg, not 100 mg.

Keep 5% and 12:30 unchanged.

This text does not establish a diagnosis.

Two columns: check extraction order

Column A

Hypertension appears here.

The number is 10 mg.

Column B

Blood glucose appears here.

The number is not 100 mg.
